

## 26650 Energy Storage Lithium Battery Discharge Temp -20 To +60 2-4 Hrs Duration

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Pinsheng Energy
- Certification: CE , MSDS , UN38.8 , ISO9001
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 10-20days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 10000pcs/month

#### Product Specification

- Warranty: 1-3 Years
- Size: 18650, 26650, 32650
- Voltage: 3.2V-3.7V
- Safety Protection: Overcharge, Overdischarge, Overcurrent, Short Circuit
- Discharge Temperature: -20 To +60
- Charge Temperature: -20 To +60
- Charge Cycles: 500-1000
- Type: Energy Storage Lithium Battery
- Highlight: **26650 Energy Storage Lithium Battery,**  
**3.2V Energy Storage Lithium Battery**

## Product Description

### Energy Storage Lithium Battery - Discharge Temp -20 To +60 2-4 Hours Duration

#### Product Description:

Energy Storage Lithium Battery is an ideal choice for cost-effective and safe energy storage. It offers superior safety protection with its overcharge, overdischarge, overcurrent, and short circuit protection features. Its discharge time is between 2-4 hours and the charge temperature is -20 to +60, making it suitable for a wide range of applications. The weight of the lithium battery is between 30g-100g and it can withstand 500-1000 charge cycles.

Lithium ion battery storage is a great way to store energy for a long time. It is lightweight and has a great capacity to store energy for a long time. Li ion battery storage is highly reliable and has a long service life. Energy storage battery is becoming increasingly popular due to its low cost and high efficiency.

Energy Storage Lithium Battery is a great choice for both residential and commercial applications. Its superior safety features, long discharge time, wide temperature range, lightweight design, and long charge cycles make it an ideal choice for energy storage.

#### Features:

**Product Name:** Energy Storage Lithium Battery

**Weight:** 30g-100g

**Voltage:** 3.2V-3.7V

**Warranty:** 1-3 Years

**Charge Time:** 2-4 Hours

**Charge Cycles:** 500-1000

**Highlighted Features:** lithium battery storage, li ion battery storage, li ion battery storage, rechargeable li ion battery

#### Technical Parameters:

Parameter	Specification
Type	Energy Storage Lithium Battery
Voltage	3.2V-3.7V
Capacity	3000mAh-10000mAh
Weight	30g-100g
Charge Temperature	-20 To +60
Discharge Temperature	-20 To +60
Storage Temperature	-20 To +45
Charge Cycles	500-1000
Safety Protection	Overcharge, Overdischarge, Overcurrent, Short Circuit
Warranty	1-3 Years

#### Applications:

Pinsheng Energy's energy storage lithium batteries are the ultimate solution for high-performance storage applications. With a brand name of Pinsheng Energy, place of origin in China, and certification including CE, MSDS, UN38.8, and ISO9001, these batteries offer a reliable and cost-effective solution for storage needs. With a minimum order quantity of one unit and a price that is negotiable, our energy storage lithium batteries come with packaging details including carton box, UN box, and wooden box. Delivery time is 10-20 days and payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. We can offer up to 10,000 pieces per month and charge temperature ranges from -20 to +60. Weight ranges from 30g-100g and discharge temperature is also -20 to +60. Size options include 18650, 26650, and 32650 and charge cycles range from 500-1000. Our energy storage lithium batteries are the perfect solution for any storage need and stand out with their superior performance, reliability, and cost-effectiveness.

#### Customization:

Energy Storage Lithium Battery

Brand Name: Pinsheng Energy  
Place of Origin: China  
Certification: CE, MSDS, UN38.8, ISO9001  
Minimum Order Quantity: 1 unit  
Price: Negotiatial  
Packaging Details: carton box, UN box, wooden box  
Delivery Time: 10-20days  
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram  
Supply Ability: 10000pcs/month  
Weight: 30g-100g  
Type: Energy Storage Lithium Battery  
Size: 18650, 26650, 32650  
Discharge Time: 2-4 Hours  
Safety Protection: Overcharge, Overdischarge, Overcurrent, Short Circuit  
Pinsheng Energy offers a wide range of lithium ion battery storage, li ion battery storage, lithium battery storage and energy storage lithium battery solutions with custom specifications to meet your needs.

## Packing and Shipping:

Packaging and Shipping Energy Storage Lithium Battery

We handle all packaging and shipping of our Energy Storage Lithium Battery with utmost care. We use high quality packaging materials to ensure your product is safe during transit. The packaging materials we use include:

Corrugated cardboard boxes

Bubble wrap

Packing peanuts

We ship our Energy Storage Lithium Battery with trusted courier services such as FedEx, UPS, and DHL. All shipments are tracked and insured for your convenience and peace of mind. We also offer expedited shipping services so you can get your product as quickly as possible.
