

High-Performance Lithium Ion Battery - Long Lifespan & High Capacity

Our Product Introduction

more products please visit us on rechargeable-liionbattery.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Pinsheng
- Certification: CE , MSDS , UN38.8 , ISO9001
- Model Number: PE-48100
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 30000pcs/month

Product Specification

- Size: Customizable
- Voltage: 48v
- Cycle Life: 6000 Times
- Storage Temperature: -15 ~55
- External Module: Wi-Fi
- Warranty: 5 Years
- Battery Type: Lithium Ion Battery
- Communication: RS485
- Highlight: **Long Lifespan Lithium Ion Battery ,
High Capacity Lithium Ion Battery ,
High Performance Lithium Ion Battery**

Product Description

Product Description:

High Power Lithium Ion Battery is a rechargeable, deep cycle battery with a variety of customizable sizes and high voltage of 48v. It is specifically designed for solar energy storage systems and bluetooth hybrid inverters, providing excellent performance and service life. The battery is also equipped with an RS485 built-in interface for easy control. With a 5 year warranty, it also offers a wide temperature range of -15 to 55 for reliable operation and storage. This battery is ideal for those who need a reliable, high power lithium ion battery for their solar energy storage system and bluetooth hybrid inverter.

Features:

Product Name: High Power Lithium Ion Battery

Built-in interface: RS485

Warranty: 5 Years

Installation Way: Stackable

Storage Temperature: -15 ~55

Waterproof Level: IP20

Best for Solar Energy Storage System

Latest Version Design

Deep Cycle Rechargeable Battery

Technical Parameters:

| Parameter | Value |
|-----------------------------|---------------------------|
| Voltage | 48V |
| External module | Wi-Fi |
| Waterproof Level | IP20 |
| Warranty | 5 Years |
| Cycle Life | 6000 Times |
| Place of Origin | Hunan, China |
| Built-in interface | RS485 |
| Size | Customizable |
| Storage Temperature | -15 ~55 |
| Battery Type | Lithium Ion Battery |
| Latest version design | Bluetooth Hybrid Inverter |
| Solar Energy Storage System | Yes |

Applications:

The **Pinsheng PE-48100 High Power Lithium Ion Battery** is the latest version design with a real manufacturer price. The battery is of a deep cycle rechargeable type with a CE certificate and has a long run time. It can provide high power and is suitable for a wide range of applications and scenarios. It has a minimum order quantity of one unit and the price is negotiable. The packaging details include carton box, UN box, and wooden box, and the delivery time is 20-30 days. The payment terms are L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability is 30000pcs/month. The battery type is Lithium Ion Battery with RS485 communication and is customizable in size and with an installation way of stackable.

Customization:

High Power Lithium Ion Battery

Brand Name: Pinsheng

Model Number: PE-48100

Place of Origin: CHINA

Certification: CE, MSDS, UN38.8, ISO9001

Minimum Order Quantity: 1 unit

Price: Negotiatial

Packaging Details: carton box, UN box, wooden box

Delivery Time: 20-30days

Supply Ability: 30000pcs/month

Voltage: 48v

Cycle Life: 6000 Times

External module: Wi-Fi

Waterproof Level: IP20

Storage Temperature: -15 ~55

LiFePO4: Deep Cycle Rechargeable

Deep Cycle Rechargeable Battery: Yes

Support and Services:

High Power Lithium Ion Battery Technical Support and Service

At our company, we offer comprehensive technical support and service for our High Power Lithium Ion Battery products. Our technical team is highly experienced and knowledgeable in this field and will help you find the right solution for your needs.

Our services include:

Providing technical advice on product selection, installation and troubleshooting.

Providing support for product warranty claims.

Delivering repairs and maintenance services for our products.

Organizing on-site visits and providing technical guidance.

If you have any questions about our High Power Lithium Ion Battery products or need technical support, please don't hesitate to contact us.
