

Advanced Vehicle Lithium Ion Battery for Enhanced Performance

Our Product Introduction

Basic Information

- Place of Origin: Hunan, China
- Brand Name: Pinsheng
- Certification: CE , MSDS , UN38.8 , ISO9001
- Model Number: PE-48100
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 30000pcs/month

Product Specification

- Max Discharge Current: 2C~ 4C
- Warranty: 3 Years
- Type: Vehicle Lithium Ion Battery
- Voltage: Customized
- Battery Type: NMC Or Lifepo4
- Operating Temperature: -20~60
- OEM/ODM: Accepatable
- Highlight: **Advanced Vehicle Lithium Ion Battery**

Product Description

Product Description:

Vehicle Lithium Ion Battery is a high performance energy storage battery which is manufactured with advanced technology. It has a long life cycle and is designed to meet the needs of various vehicles. It comes with a built-in Smart BMS for protection to ensure safety and stability. It is widely used in a variety of vehicles, and is highly customizable in terms of voltage, providing the best solution for energy storage needs. OEM/ODM services are available for this product, which is sourced from Hunan, China.

Features:

Product Name: Vehicle Lithium Ion Battery
Battery Type: NMC Or Lifepo4
Operating Temperature: -20 ~ 60
Place of Origin: Hunan, China
OEM/ODM: Acceptable
Protection: Built-in Smart BMS
Energy storage battery, electric car battery, electric car battery pack

Technical Parameters:

Product Attributes	Product Values
OEM/ODM	Acceptable
Warranty	3 Years
Place of Origin	Hunan, China
Max discharge current	2C~ 4C
Voltage	Customized
Operating Temperature	-20~60
Protection	Built-in Smart BMS
Type	Vehicle Lithium Ion Battery
Battery type	NMC Or Lifepo4
Application	Motorcycle Battery, Electric Car Battery, Energy Storage Battery

Applications:

Vehicle Lithium Ion Battery, produced by Pinsheng, is a reliable and powerful battery for both motorcycles and electric cars. It has a Model Number of PE-48100 and is CE, MSDS, UN38.8, and ISO9001 certified, making it a safe and reliable choice. The product is available in customized voltage, with built-in smart BMS for protection, and a three-year warranty. It also has a minimum order quantity of one unit, and is available for OEM/ODM production. The product comes with a reasonable price, and can be delivered in 20-30 days. Payment methods include L/C, D/A, D/P, T/T, Western Union, and MoneyGram, and the company can supply up to 30000pcs/month. Packaging is available in carton boxes, UN boxes, and wooden boxes.

Customization:

Vehicle Lithium Ion Battery, High Performance Energy Storage Battery

Brand Name: Pinsheng
Model Number: PE-48100
Place of Origin: Hunan, China
Certification: CE , MSDS , UN38.8 , ISO9001
Minimum Order Quantity: 1 unit
Price: Negotiatial
Packaging Details: carton box, UN box, wooden box
Delivery Time: 20-30days
Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
Supply Ability: 30000pcs/month
Protection: Built-in Smart BMS
Type: Vehicle Lithium Ion Battery
Battery type: NMC Or Lifepo4
Max discharge current: 2C~ 4C

This Vehicle Lithium Ion Battery is a high performance energy storage battery, which is certified by CE , MSDS , UN38.8 , ISO9001, and has a built-in Smart BMS for better protection. It supports NMC or Lifepo4 battery type, with a maximum discharge current of 2C~ 4C. It can be ordered in minimum quantities of 1 unit, and is delivered within 20-30days. The price is negotiable, and payment can be done through L/C , D/A , D/P , T/T , Western Union , MoneyGram.

Support and Services:

Vehicle Lithium Ion Battery Technical Support and Services

We offer a full range of technical support and services for Vehicle Lithium Ion Battery products. Our team of experts is available to provide assistance with product selection, installation, troubleshooting, and maintenance.

We strive to ensure that our customers have all the necessary information to make informed decisions and maintain their Vehicle Lithium Ion Battery products with ease. Our technical support and services include:

Product selection advice and assistance

Installation and setup guidance

Troubleshooting and repair help

Maintenance and replacement advice

Software and firmware updates

If you need assistance with any aspect of Vehicle Lithium Ion Battery products, please contact our technical support team at [Insert contact info].
