

High Efficiency Lithium Ion Battery Long Lasting Powerful Rechargeable

Our Product Introduction

more products please visit us on rechargeable-liionbattery.com

Basic Information

- Place of Origin: Hunan, China
- Brand Name: Pinsheng
- Certification: CE , MSDS , UN38.8 , ISO9001
- Model Number: PE-48100
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 30000pcs/month

Product Specification

- Communication: RS485
- External Module: Wi-Fi
- Waterproof Level: IP20
- Cycle Life: 6000 Times
- Battery Type: Lithium Ion Battery
- Built-in Interface: RS485
- Highlight: **Rechargeable Lithium Ion Battery , RS485 Lithium Ion Battery**

Product Description

Product Description:

High Power Lithium Ion Battery is a reliable solution for heavy-duty applications. It is manufactured using the highest grade LiFePO₄ materials and advanced technology to ensure its excellent performance and long cycle life of up to 6000 times. This battery is designed for maximum compatibility and flexibility with RS485 communication for easy connection and data transmission. It is highly customizable in terms of size, capacity, and other features to meet your exact requirements. As a real manufacturer, we offer you competitive price for the best quality product. Our Stacked Lithium Ion Battery is designed with 5 years of warranty to ensure maximum satisfaction.

Features:

Product Name: High Power Lithium Ion Battery

External module: Wi-Fi

Installation Way: Stackable

Size: Customizable

Battery Type: Latest version Lithium Ion Battery

Place of Origin: Hunan, China

Price: Real Manufacturer's Price

Technical Parameters:

Parameter	Value
Battery Type:	Lithium Ion Battery
Voltage:	48v
Power:	10~20KWh
External module:	Wi-Fi
Storage Temperature:	-15 ~55
Communication:	RS485
Built-in interface:	RS485
Installation Way:	Stackable
Design Version:	Latest version
Battery Material:	High energy lithium battery
Warranty:	5 Years
Cycle Life:	6000 Times
Waterproof Level:	IP20

Applications:

High Power Lithium Ion Battery from Pinsheng is the perfect choice for all your power needs. The PE-48100 model is a high energy lithium battery with LiFePO₄ technology. It is certified with CE, MSDS, UN38.8, and ISO9001, and has a minimum order quantity of 1 unit. The price is negotiable and the packaging details include carton box, UN box, and wooden box. Delivery time is 20-30 days, and payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability is 30000pcs/month. It has a built-in RS485 interface and supports Wi-Fi external module. The battery type is lithium ion battery, and the communication is RS485. The voltage is 48v.

If you're looking for a high power lithium ion battery that is reliable, energy efficient, and safe, look no further than Pinsheng's PE-48100 model. It is the perfect choice for all your power needs.

Customization:

High Power Lithium Ion Battery from Pinsheng with Brand Name: Pinsheng, Model Number: PE-48100, Place of Origin: CHINA, Certification: CE, MSDS, UN38.8, ISO9001, Minimum Order Quantity: 1 unit, Price: Negotiatial, Packaging Details: carton box, UN box, wooden box, Delivery Time: 20-30days, Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram, Supply Ability: 30000pcs/month, Waterproof Level: IP20, Communication: RS485, Cycle Life: 6000 Times, Storage Temperature: -15 ~55 , Installation Way: Stackable. This product features the latest version design, bluetooth hybrid inverter and is from the original factory.

Support and Services:

Technical Support and Service for High Power Lithium Ion Battery

- 24/7 technical support and service
- Expert advice on battery selection and optimization
- Customized battery solutions
- Free product replacement in case of defects
- Software and firmware updates for extended battery life
- Comprehensive maintenance plans for ongoing battery health
- On-site hardware installation and troubleshooting
