

Fast Charging LifePO4 Lithium Battery High Performance Stable

Our Product Introduction

more products please visit us on rechargeable-liionbattery.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Pinsheng Energy
- Certification: CE , MSDS , UN38.8 , ISO9001
- Model Number: PE-48100
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 30000pcs/month

Product Specification

- Weight: Customizable
- Size: Customizable
- Storage Temperature: -15 ~55
- Nominal Voltage: 48V
- Warranty: 5 Years
- Protection: Overcharge, Overdischarge, Short Circuit
- Highlight: **Fast Charging LifePO4 Lithium Battery, Customized LifePO4 Lithium Battery 48V**

Product Description

Product Description:

LifePO4 Lithium Battery is an ideal choice for solar energy system and lithium ion battery packs. It features long cycle life of up to 6000 times, 5 years warranty and wide temperature range of -15 to 55 . Its weight and size can be customized to meet different demands. With high quality materials and professional design, the battery offers reliable and stable performance for your solar energy system and 48v 10 ~ 20KWh battery cell.

Features:

Product Name: LifePO4 Lithium Battery

Nominal Voltage: 48V

Operating Temperature: -15 ~55

Storage Temperature: -15 ~55

Weight: Customizable

Cycle Life: 6000 Times

Special Feature: Suitable for solar energy system, 48v 10~20KWh battery cell, Pinsheng customized

Technical Parameters:

Attribute	Value
Type	LifePO4 Lithium Battery
Weight	Customizable
OEM/ODM	Available
Brand Name	Pinsheng Energy
Size	Customizable
Storage Temperature	-15 ~55
Nominal Capacity	100Ah,200Ah
Protection	Overcharge, Overdischarge, Short Circuit
Nominal Voltage	48V
Cycle Life	6000 Times

Applications:

Pinsheng Energy's LifePO4 Lithium Battery is a reliable and powerful lithium ion battery pack designed to provide superior performance in a range of applications. Our 48V battery pack is CE, MSDS, UN38.8, and ISO9001 certified, and its size and voltage can be tailored to your specific needs. With high-quality components and state-of-the-art manufacturing processes, our lithium ion battery packs provide safe and dependable power to a wide range of devices and applications.

From electric vehicles to medical equipment, our LifePO4 Lithium Battery is the perfect choice for any application that requires reliable, long-lasting power. With a minimum order quantity of just one unit, a competitive price, and fast delivery times, our batteries are an ideal solution for any project. We also offer flexible payment terms, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram, as well as customized packaging options such as carton box, UN box, and wooden box.

Our LifePO4 Lithium Battery is designed to provide up to 30000pcs/month, making it the perfect choice for large-scale projects. With its superior energy density and excellent cycle life, it is the ideal choice for any application that requires reliable, long-lasting power.

Additionally, our battery packs come with OEM/ODM options, so you can customize the design to fit your exact needs.

Pinsheng Energy's LifePO4 Lithium Battery packs offer superior performance and reliability, making them the perfect choice for all your power needs. With its high-quality components, quick delivery times, and competitive prices, our battery packs are the ideal solution for any project.

Customization:

Customized LifePO4 Lithium Battery

Brand Name: Pinsheng

Model Number: PE-48100

Place of Origin: CHINA

Certification: CE, MSDS, UN38.8, ISO9001

Minimum Order Quantity: 1 unit

Price: Negotiable

Packaging Details: Carton box, UN box, wooden box

Delivery Time: 20-30days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 30000pcs/month

Type: LifePO4 Lithium Battery

Nominal Capacity: 100Ah, 200Ah

Weight: Customizable

Nominal Voltage: 48V

Warranty: 5 Years

We provide a full range of customized lithium ion battery packs, from 48v 10~20KWh, including battery cell, BMS, enclosure and charger, to meet your specific needs.

Support and Services:

LifePO4 Lithium Battery Technical Support and Services

We offer a complete range of technical support and services to ensure that your LifePO4 Lithium Battery meets your exact needs. Our technical support team is available to answer any questions you may have about our products, and our services team is ready to provide you with the highest quality customer service available.

We offer a variety of services to meet your specific needs, including:

Installation and maintenance support

Customization of your LifePO4 Lithium Battery

Troubleshooting and repair services

Testing and certification services

Performance optimization and upgrades

Our team of highly trained professionals is here to ensure that your LifePO4 Lithium Battery is operating at peak performance and is meeting your unique needs. We are dedicated to providing you with the highest quality customer service and technical support available.
