

High Performance Battery BMS Controller Cabinet With Cycle Life 6000 Times

Our Product Introduction

more products please visit us on rechargeable-liionbattery.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Pinsheng
- Certification: CE , MSDS , UN38.3,IES
- Model Number: ESS-001
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 10000pcs/month

Product Specification

- ESS Container Dimension: 20ft,30ft,40ft Container
- Cycle Life: >6000 Times
- Battery Capacity Warranty: 5 Years 80%
- Working Voltage: 300-1200V
- Model: ESS-001
- Product Name: ESS Container
- Charge Rate: 0.25C, Max 0.5C
- Application: Big Energy Storage Projet
- Highlight: **Battery BMS Controller Cabinet, 6000 Times BMS Battery**

Product Description

Product Description:

Industrial Lithium Batteries are high-performance energy storage solutions for big energy storage projects. These batteries feature an optional Isolating Transformer for energy storage and delivery, and come in three ESS Container Dimensions - 20ft, 30ft, and 40ft Container. In addition, these batteries are designed to last up to over 6000 cycles, and can be quickly charged at a rate of up to 0.5C. The Industrial Lithium Battery model is ESS-001. This versatile battery is perfect for big energy storage projects that require a long cycle life and fast charge rate.

Features:

Product Name: Industrial Lithium Batteries

Cycle Life: >6000 Times

Discharge Rate: 0.5C, Max 1C

Battery BMS: BMS Controller Cabinet

Model: ESS-001

Battery Capacity Warranty: 5 Years 80%

ESS Container: ESS Container designed for big energy storage projects

Technical Parameters:

Product Feature	Technical Parameters
Charge Rate	0.25C, Max 0.5C
Capacity	500KWh,1MWh,2MWh Customized
Application	Big Energy Storage Project
Cycle Life	>6000 Times
Battery Capacity Warranty	5 Years 80%
ESS Container Dimension	20ft,30ft,40ft Container
Battery BMS	BMS Controller Cabinet
Model	ESS-001
Product Name	ESS Container
Isulating Transformer	Optional

Applications:

Industrial Lithium Batteries are an energy-efficient and cost-effective solution for a wide range of applications. Pinsheng's ESS-001 Industrial Lithium Batteries are certified by IEC, CE, UN38.3, and MSDS. This model has a minimum order quantity of 1 unit, and the price is negotiable. Packing details include carton box, UN box, and wooden box. Delivery time is 20-30 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability is 10000pcs/month. The discharge rate is 0.5C, Max 1C. ESS Container Dimension options include 20ft, 30ft, and 40ft Container. The working voltage is 300-1200V, and there is an optional isolating transformer available. BMS Controller Cabinet is also available for further customization.

Customization:

Industrial Lithium Batteries

Brand Name: Pinsheng

Model Number: ESS-001

Battery Capacity Warranty: 5 Years 80%

Cycle Life: >6000 Times
ESS Container Dimension: 20ft,30ft,40ft Container

Support and Services:

We provide technical support and services for Industrial Lithium Batteries. Our team of experts is available to answer any questions you may have about the product and its use. We can provide guidance and advice on installation and maintenance, and can assist in troubleshooting any issues that may arise. We also offer a range of custom solutions for specific applications. Our team is available by phone, email, or live chat, and we will work with you to ensure that your Industrial Lithium Batteries are running smoothly and efficiently.
