

Built-In Smart BMS Motorcycle Battery With Charge Rate 0.5C Max 1C For Long-Lasting

Our Product Introduction

more products please visit us on rechargeable-liionbattery.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Pinsheng
- Certification: CE , MSDS , UN38.8 , ISO9001
- Model Number: PE-72500
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 30000pcs/month

Product Specification

- Discharge Rate: 1C Max 2C
- Battery Type: Lifepo4
- Charge Rate: 0.5C Max 1C
- Application: Vehicle.Electric Motorcycle
- Protection: Built-in Smart BMS
- Nominal Voltage: 72V DC Or Customized
- Nominal Capacity: 50Ah Or Customized
- OEM/ODM: Acceptable
- Highlight: **50Ah Smart BMS Motorcycle Battery,**
0.5C BMS Motorcycle Battery

Built-In Smart BMS Motorcycle Battery With Charge Rate 0.5C Max 1C For Long-Lasting

Product Description:

Product Overview - Vehicle Lithium Ion Battery

Battery type: Lifepo4

Norminal Voltage: 72V DC Or Customized

Place of Origin: Hunan, China

OEM/ODM: Acepatable

Norminal Capacity: 50Ah Or Customized

Are you tired of constantly replacing your motorcycle battery? Look no further, our Vehicle Lithium Ion Battery is the perfect solution for your needs.

Our battery is made with the latest technology, using Lifepo4 as the battery type. This ensures high performance and a long cycle life for your vehicle.

Not only that, our battery is also environmentally friendly, making it a great choice for those who are conscious about their carbon footprint.

With a nominal voltage of 72V DC, our battery is suitable for most motorcycles. However, we also offer customized production to meet the specific needs of our customers.

Our Vehicle Lithium Ion Battery is proudly made in Hunan, China, ensuring quality and reliability. We also accept OEM/ODM orders, providing you with the flexibility to customize the product according to your requirements.

And to give you peace of mind, we offer a three-year warranty for our battery. This shows our commitment to providing the best quality product and service to our customers.

So why settle for subpar motorcycle batteries when you can have a high-performance, long-lasting, and environmentally friendly one with our Vehicle Lithium Ion Battery? Contact us now for more information and to place your order.

Features:

Product Name: Vehicle Lithium Ion Battery

Operating Temperature: -15~55

Model: 72V 50Ah

Battery type: Lifepo4

Norminal Voltage: 72V DC Or Customized

LED Screen: Optional

Customized production

Hot sale

Electric car battery

Technical Parameters:

Product Name	Vehicle Lithium Ion Battery
Model	72V 50Ah
Application	Vehicle, Electric Motorcycle
Battery Type	Lifepo4
Nominal Voltage	72V DC or Customized
Nominal Capacity	50Ah or Customized
Discharge Rate	1C Max 2C
Operating Temperature	-15~55
LED Screen	Optional
Protection	Built-in Smart BMS
OEM/ODM	Acceptable
Hot Sale	Scooter Ebike Battery
Customized Production	Available

Applications:

Vehicle Lithium Ion Battery - Pinsheng PE-72500

Brand Name: Pinsheng

Model Number: PE-72500

Place of Origin: CHINA

Certification: CE, MSDS, UN38.8, ISO9001

Minimum Order Quantity: 1 unit

Price: Negotiatial

Packaging Details: carton box, UN box, wooden box

Delivery Time: 20-30 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 30000pcs/month

OEM/ODM: Acceptable

Product Description:

The Pinsheng PE-72500 is a high-performance lithium ion battery specially designed for electric vehicles and electric motorcycles. With its lightweight and long lifespan, it is one of the most sought-after electric car batteries in the market.

Application:

The Pinsheng PE-72500 is suitable for various types of electric vehicles and electric motorcycles. It can be used as the main power source or as a backup power source for emergency situations.

Key Features:

Hot Sale: The Pinsheng PE-72500 is a popular choice among electric vehicle manufacturers and consumers, making it a hot sale product in the market.

High Performance: With a discharge rate of 1C max 2C, the Pinsheng PE-72500 delivers excellent and stable performance, providing a smooth and efficient driving experience.

Rechargeable: The Pinsheng PE-72500 can be easily recharged, making it a cost-effective and environmentally friendly alternative to traditional gasoline-powered vehicles.

Lightweight: Weighing only X kg, the Pinsheng PE-72500 is significantly lighter than traditional lead-acid batteries, reducing the overall weight of the vehicle and improving its energy efficiency.

Long Lifespan: The Pinsheng PE-72500 has a long lifespan, with a cycle life of up to X years, making it a reliable and durable choice for electric vehicle owners.

Protection:

The Pinsheng PE-72500 comes with a built-in Smart BMS (Battery Management System), providing protection against overcharging, over-discharging, short circuit, and temperature fluctuations, ensuring the safety and longevity of the battery.

Operating Temperature:

The Pinsheng PE-72500 can operate in temperatures ranging from -15 to 55 degrees Celsius, making it suitable for use in various weather conditions.

Ordering Information:

To place an order for the Pinsheng PE-72500, please contact our sales team and provide them with the following information:

Quantity

Delivery Address

Payment Terms

Any specific packaging requirements

Any additional customization requests

Thank you for choosing Pinsheng as your trusted supplier for high-quality lithium ion batteries. We look forward to serving you!

Customization:

Brand Name: Pinsheng

Model Number: PE-72500

Place of Origin: Hunan, China

Certification: CE, MSDS, UN38.8, ISO9001
