

Pinsheng Customized 48V 100Ah Lithium Ion Battery Stackable Cabinets

Our Product Introduction

more products please visit us on rechargeable-liionbattery.com

Basic Information

- Place of Origin: China
- Brand Name: Pinsheng Energy
- Certification: CE , MSDS , UN38.3, IES
- Model Number: PE48100
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 10000pcs/month

Product Specification

- Life Cycle Times: 6000 Times
- Nominal Voltage: 51.2V DC
- Operating Temperature: -15°C To 55°C
- Discharge Cut Voltage: 40V
- Application: Home Energy Storage
- Battery Power: 5.12KWh
- BMS: Smart BMS
- Warranty: 5 Years
- Highlight: **48V 100Ah Lithium Ion Battery,
Lithium Ion Battery Stackable Cabinets,
IES Energy Storage Lithium Battery**

Product Description

Product Description:

Energy Storage Lithium Battery is a 48v 100Ah Rack Battery designed for Home Energy Storage, Telecom Base Station, Smart BMS, and other applications. It features a Nominal Voltage of 51.2V DC and a Charge Limit Voltage of 58.4V, and comes with a 5-year warranty. This powerful energy storage lithium battery is designed to meet the power needs of any application.

Features:

Product Name: 48v 100Ah Rack Lithium Battery
Nominal Voltage: 51.2V DC
Discharge Cut Voltage: 40V
Warranty: 5 Years
Battery Power: 5.12KWh
SOC Light and COM: Standard And Optional
Cycle Life: 6000 Times
Application: Telecom Base Station

Technical Parameters:

Property	Value
Product Name	48V 100Ah Rack Lithium Battery
Life Cycle Times	6000 Times
Charge Limit Voltage	58.4V
SOC Light and COM	Standard And Optional
Application	Home Energy Storage
Warranty	5 Years
Nominal Voltage	51.2V DC
Module Capacity	100Ah
BMS	Smart BMS
Telecom Base Station	LifePO4 Battery Cell
LED Screen	2.5 Inches Touch Screen Or Customized

Applications:

Pinsheng Energy's Energy Storage Lithium Battery is an ideal 48v 100Ah Rack Battery for Telecom Base Station that is designed with all the latest battery technology. With CE, MSDS, UN38.3, and IES certifications, it is a reliable and safe choice for powering Telecom Base Station and Energy Storage System. It is designed with an operating temperature range of -15°C to 55°C, Smart BMS, and optional SOC Light and COM. It requires a minimum order quantity of one unit, and offers a competitive price that can be negotiated. Packaging and delivery is available in carton box, UN box, and wooden box, and is delivered in 20-30days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram, and it is capable of supplying up to 10000pcs/month. The Energy Storage Lithium Battery is backed with a 5-year warranty.

Customization:

Energy Storage Lithium Battery
Brand Name: Pinsheng Energy

Cycle Life: 6000 Times

Support and Services:

Energy Storage Lithium Battery Technical Support and Service

We provide technical support and service for all Energy Storage Lithium Battery products. Our trained technicians are available 24/7 to assist you with any inquiries or issues you may have. We offer a variety of services, including:

Diagnosing and troubleshooting hardware and software

Providing system updates

Testing and verifying performance

Installing firmware updates

Data recovery and backup

Replacement parts and accessories

Product training and tutorials

For more information about our Energy Storage Lithium Battery technical support and service, please contact us.
