

High Performance Vehicle Lithium Ion Battery For Motorcycle Battery

Our Product Introduction

more products please visit us on rechargeable-liionbattery.com

Basic Information

- Place of Origin: Hunan, China
- Brand Name: Pinsheng
- Certification: CE , MSDS , UN38.8 , ISO9001
- Model Number: PE-48100
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 30000pcs/month

Product Specification

- Protection: Built-in Smart BMS
- Warranty: 3 Years
- OEM/ODM: Accepatable
- Battery Type: NMC Or Lifepo4
- Operating Temperature: -20~60
- Voltage: Customized
- Max Discharge Current: 2C~ 4C
- Highlight: **OEM Vehicle Lithium Ion Battery,
UN38.8 Vehicle Lithium Ion Battery,
BMS Electric Vehicle Battery Pack**

Product Description

High-Performance Vehicle Lithium Ion Battery For Motorcycle Battery

Product Description:

Vehicle Lithium Ion Battery is the perfect choice for powering your vehicle. It features a 3-year warranty and customizable voltage, allowing for a wide range of applications. OEM/ODM production is available, and the battery type can be customized to NMC or Lifepo4. Maximum discharge current is available up to 2C~ 4C, making it an excellent choice for powering your vehicle.

Our Vehicle Lithium Ion Battery is the perfect choice for your customized production needs. It offers a variety of features and options to meet your unique requirements. With a 3-year warranty, customizable voltage, and maximum discharge current up to 2C~ 4C, our Vehicle Lithium Ion Battery is the perfect solution for powering your vehicle.

We take pride in our reliable, customizable production of Vehicle Lithium Ion Batteries. Whether you need NMC or Lifepo4, our batteries are designed to meet your specific requirements. With a 3-year warranty and customizable voltage, our Vehicle Lithium Ion Battery will provide the perfect solution for your vehicle's unique power needs.

Features:

Product Name: Vehicle Lithium Ion Battery

Protection: Built-in Smart BMS

Voltage: Customized

Battery type: NMC Or Lifepo4

Operating Temperature: -20~60

Max discharge current: 2C~ 4C

Scooter Ebike Battery

Three-year Warranty

Energy Storage Battery

Technical Parameters:

Parameter	Value
Protection	Built-in Smart BMS
Voltage	Customized
Type	Vehicle Lithium Ion Battery
Place of Origin	Hunan, China
Warranty	3 Years
Max discharge current	2C~ 4C
Operating Temperature	-20~60
OEM/ODM	Acceptable
Battery type	NMC Or Lifepo4
Current	Customized

Applications:

Pinsheng Vehicle Lithium Ion Battery, model PE-48100, is the perfect choice for those who are looking for a reliable and safe energy source. It is made with high quality materials, and has passed CE, MSDS, UN38.8 and ISO9001 certifications. This product has an excellent operating temperature range of -20~60 , and is equipped with a built-in smart BMS for added protection. Besides, it has a minimum order quantity of 1 unit, and the price is negotiable. What's more, it can be customized to meet different needs, and a three-year warranty is provided. The packaging details includes carton box, UN box and wooden box, and the delivery time is within 20-30 days. As for the payment terms, it supports L/C, D/A, D/P, T/T, Western Union and MoneyGram. With an amazing supply ability of 30000pcs/month, Pinsheng Vehicle Lithium Ion Battery is known for its safety, stability and customization production.

Customization:

Vehicle Lithium Ion Battery

Brand Name: Pinsheng

Model Number: PE-48100

Place of Origin: Hunan, China
