

High Specification ESS Cabinet Power Supply Supports Various Customization

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: Pinsheng
- Certification: CE , MSDS , UN38.3,IES
- Model Number: PE-48100
- Minimum Order Quantity: 1 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 30000pcs/month

Product Specification

- Protection: Overcharge, Overdischarge, Overcurrent, Short Circuit
- Weight: 680KG
- LED Screen: 4.3 Inches Touch Screen Or Customized
- BMS: High Voltage BMS
- Battery Power: 48KWh Or Customized
- Battery Pack Size: 144*482*440mm
- Working Voltage: 547.5v-375v
- Cabinet Size: 1800*640*640mm
- Highlight: **4.3inches Touch Screen ESS Cabinet, Customized ESS Cabinet, 48KWh Lithium Solar Batteries**

Product Description

High Specification ESS Cabinet Power Supply Supports Various Customization

Product Description:

Lithium Solar Batteries are designed to provide long life and safety, with a discharge cut voltage of 375V and a cycle life of up to 6000 cycles. Our batteries have a battery power of 20-50KWh, making them suitable for a wide range of solar applications. Moreover, the battery cells are made from LifePO4, offering higher voltage and greater efficiency. Each battery also includes a High Voltage BMS that ensures the battery is always running at peak performance. Our Lithium Solar Batteries can also be customized to meet specific power requirements.

Features:

Product Name: 480V 100Ah High Voltage ESS Cabinet

Discharge Cut Voltage: 375V

Cycle Life: 6000 cycles

BMS: High Voltage BMS

Battery Pack Size: 144*482*440mm

Capacity: 20-50KWh

Technical Parameters:

Product Name	480V 100Ah High Voltage ESS Cabinet
Weight	680KG
Charge Limit Voltage	547.5V
Model	480V 100Ah
Type	Lithium Solar Battery
Battery Pack Size	144*482*440mm
Battery Power	48KWh Or Customized
Discharge Cut Voltage	375V
Cycle Life	6000 Cycles
BMS	High Voltage BMS
Solar Energy System	LifePO4 Battery Cell
Normal Voltage	480V DC

Applications:

Lithium Solar Batteries, Brand Name: Pinsheng, Model Number: PE-48100, Place of Origin: CHINA, Certification: CE , MSDS , UN38.3,IES, Minimum Order Quantity: 1 unit, Price: Negotiatial, Packaging Details: carton box, UN box, wooden box, Delivery Time: 20-30days, Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram, Supply Ability: 30000pcs/month, Discharge Cut Voltage: 375V, Battery Pack Size: 144*482*440mm, Protection: Overcharge, Overdischarge, Overcurrent, Short Circuit, Cabinet Size: 1800*640*640mm, BMS: High Voltage BMS are ideal for a variety of applications, ranging from residential to commercial. These powerful 480v 100Ah LifePO4 Battery Cells are perfect for applications that require 20-50KWh and a long cycle life. The Pinsheng PE-48100 Lithium Solar Batteries offer high energy density, low self-discharge, and excellent safety performance, allowing you to enjoy a reliable, safe, and efficient power solution.

Customization:

Lithium Solar Batteries

Brand Name: Pinsheng

Model Number: PE-48100

Place of Origin: CHINA

Certification: CE , MSDS , UN38.3,IES

Minimum Order Quantity: 1 unit

Price: Negotiatial

Packaging Details: carton box, UN box, wooden box

Delivery Time: 20-30days

Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram

Supply Ability: 30000pcs/month

Weight: 680KG

Discharge Cut Voltage: 375V

Charge Limit Voltage: 547.5V

BMS: High Voltage BMS

Battery Power: 48KWh Or Customized

Pinsheng's Lithium Solar Batteries is the perfect choice for your Solar Energy System. With 480v 100Ah and High Voltage BMS, this battery offers reliable power and performance. And it can be customized to meet your specific needs. Contact us for more information.

Support and Services:

Lithium Solar Batteries offers technical support and services to ensure that customers get the most out of their products. Our team of experienced technicians provides professional advice and assistance with installation, maintenance, and repairs. We also offer training and troubleshooting services to help customers optimize their battery performance. All technical support inquiries are answered within 24 hours.
