PINSHENG Large Capacity 48V 60V 72V 40ah 50ah 80ah Lithium Battery Pack with BMS for Electric Scooter Ebike battery

Our Product Introduction

more products please visit us on rechargeable-liionbattery.com

Basic Information

- Place of Origin: Hunan, China
- Brand Name: Pinsheng
- Certification: CE , MSDS , UN38.8 , ISO9001
- Model Number: PE-60100
- Minimum Order Quantity: 2 unit
- Price: Negotiatial
- Packaging Details: carton box, UN box, wooden box
- Delivery Time: 20-30days
- Payment Terms: L/C , D/A , D/P , T/T , Western Union , MoneyGram
- Supply Ability: 50000pcs/month

use with confidence

Product Specification

- OEM/ODM: Acceptable
- Protection: Built-in Smart BMS
- Operating Temperature: -20~60
- Voltage: Customized
- Battery Type: NMC Or LFP
- Warranty: 3 Years
- Type: Vehicle Lithium Ion Battery
- Application: Electric Golf Cart, Motorcycle Battery, Ev Battery
- Weight: 35.1kg
- Dimension: 385*230*215mm
- Highlight: Electric Scooter Lithium Battery Pack , Large Capacity Lithium Battery Pack , Lithium Battery Pack with BMS

PINSHENG High-performance 60V 72V 100Ah 200Ah Lithium-ion Batteries for Golf Carts and Electric Vehicles

Product Description:

Vehicle Lithium Ion Battery with high performance battery designed . It has a max discharge current of 2C to 4C, a customized voltage, and a built-in smart BMS for protection. OEM/ODM services are acceptable. Most importantly, we offer a Three-year warranty for our customers. You can rely on our Vehicle Lithium Ion Battery for a safe and reliable power source .

Features:

- Most safe LFP battery technology, no cobalt
- Long lifetimes - >4000 cycles @86% DOD
- Standard module capacity can be customized
- Self-engineered BMS with cell level monitor
- Short circuit/ Over current/Over voltage/Over temperature protection
- Strong metal case with black color, IP67 waterproof
- OEM logo available

Technical Parameters:

| Parameter | Value |
|-----------|-------|
|-----------|-------|

| | |
|-----------------------|--|
| Battery type | NMC Or Lifepo4 |
| Protection | Built-in Smart BMS |
| OEM/ODM | Acceptable |
| Warranty | 3 Years |
| Type | Vehicle Lithium Ion Battery |
| Voltage | Customized |
| Operating Temperature | -20~60 |
| Max discharge current | 2C~ 4C |
| Place of Origin | Hunan, China |
| Features | High performance scooter ebike battery, motorcycle battery |

Applications:

Pinsheng Vehicle Lithium Ion Battery is a hot-sale product with customized production, perfect for motorcycles. With a model number of PE-48100 and origin from CHINA, the battery is certified with CE, MSDS, UN38.8 and ISO9001. The minimum order quantity is 1 unit and the price is negotiable. For packaging, it comes with option of carton box, UN box and wooden box. The delivery time is 20-30 days and the payment terms are L/C, D/A, D/P, T/T, Western Union and MoneyGram. The supply ability is 30000pcs/month and OEM/ODM orders are acceptable. The maximum discharge current of this battery is 2C~4C and it is equipped with Built-in Smart BMS for protection. Both NMC and Lifepo4 battery types are available for choice and the voltage can be customized. This vehicle lithium ion battery offers long life cycle, safe and reliable performance.

Customization:

We provide customized production of Vehicle Lithium Ion Battery. Our brand name is Pinsheng and the model number is PE-48100. Our product comes from Hunan, China, with certifications like CE, MSDS, UN38.8 and ISO9001. The minimum order quantity is 1 unit and the price is negotiable. The packaging details include carton box, UN box and wooden box. The delivery time is 20-30days and the payment terms are L/C, D/A, D/P, T/T, Western Union and MoneyGram. The supply ability is 30000pcs/month. The type of the battery is Vehicle Lithium Ion Battery with max discharge current 2C~4C. It is also equipped with built-in smart BMS for protection and it comes with 3 years of warranty.

Support and Services:

Technical Support and Services for Vehicle Lithium Ion Battery

We provide comprehensive technical support and services for Vehicle Lithium Ion Battery. Our team of experienced engineers can help you identify the best battery for your application, as well as provide guidance on installation, maintenance and repair.

Installation and Maintenance

We can help you with the installation, maintenance, and repair of Vehicle Lithium Ion Battery. Our team of experienced engineers can provide technical guidance, support, and advice during every step of the installation process.

Technical Support

Our technical support team is available to answer any questions you may have. We can provide step-by-step instructions and troubleshooting guides to help you solve any issues you may encounter with your Vehicle Lithium Ion Battery.

Warranty and Repair Services

We offer a warranty on all Vehicle Lithium Ion Battery products. If any issue arises, our team of experienced engineers can provide repair services to ensure your battery is operating at peak performance.
