

## 76.8V 30 Ah LiFePO4 Battery with 6000 Cycles for Electric Bicycles and Scooters

Our Product Introduction

for more products please visit us on [rechargeable-liionbattery.com](http://rechargeable-liionbattery.com)

### Basic Information

- Place of Origin: Hunan, China
- Brand Name: Pinsheng
- Model Number: 76.8V 30AH
- Minimum Order Quantity: 2
- Price: \$293.71-300

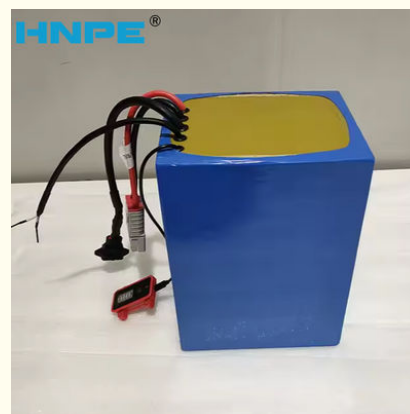

HNPE®

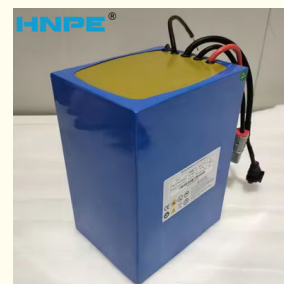

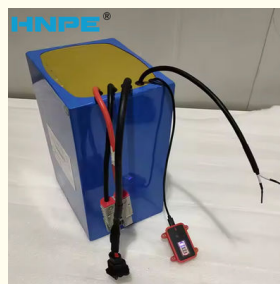

### Product Specification

- Max Load Quantity: 16 Cells
- Battery Type: Semi-solid State
- Cycle Life: 6000 Cycles
- Dimension: 300mmx260mmx170mm
- Weight: 17.4kg
- Operating Temperature: -20-60
- Cathode Materials: LiFePO4
- Battery Chemicals: Li-ion
- Nominal Voltage: 76.8V
- Nominal Capacity: 30 Ah
- Electric Energy: 2.5KWh
- Battery Size: LifePO4
- Charging Rate: 0.5C
- Discharge Rate: 0.5C
- Battery Technology: LiFePO4/Lithium

## Manufacturer Profile

Hunan Pinsheng Energy Technology Co., Ltd is located in Changsha City, Hunan Province, specializing in developing and producing Li-ion batteries and battery system integration. With years of research and development, we've established a complete industry chain from R&D to production and sales. Our lithium-ion batteries feature:

Extended cycle life

Enhanced safety and reliability

Higher energy density

Superior performance characteristics

Our products are widely used in electric bikes, scooters, motorcycles, tricycles, golf carts, forklifts, electric vehicles, UPS systems, telecommunication systems, and off-grid wind & solar energy storage. With strict quality control systems and a dedicated R&D team, we offer both standard and customized battery solutions.

## Production Facility

Pinsheng Energy Battery Production Workshop

## Packaging & Shipping

We use high-hardness custom sponge and wooden cases to ensure safe battery transportation.

Battery Packaging Solution
