

## High Efficiency 10KW 20KW Complete Kit With bluetooth Hybrid Inverter Solar Energy Storage System Deep Cycle LiFePO4 Battery

Our Product Introduction

for more products please visit us on [rechargeable-liionbattery.com](http://rechargeable-liionbattery.com)

### Basic Information

- Place of Origin: Hunan, China
- Brand Name: Pinsheng
- Model Number: PSW-10~20KWH
- Minimum Order Quantity: 2
- Price: CN¥9,790.07-11,189.65

### Product Specification

- Application: Electric Power Systems
- Battery Type: LiFePO4
- Output Power Range: 10~20 KWH
- System Type: Stackable
- Nominal Voltage: 51.2V
- Nominal Capacity: 100Ah,200Ah,300Ah,400Ah
- Communication Port: CAN, RS232, RS485
- Protection Class: IP54
- OEM/ODM: Available
- Cycle Life: 6000 Times
- Warranty: 5 Years
- Anode Material: LFP
- Battery Size: Li-polymer
- Highlight: **10KW solar energy storage system, 20KW hybrid inverter kit, LiFePO4 deep cycle battery**

Product Specifications

Brand Name	Pinsheng energy
Place of Origin	China
Battery Type	Lithium Ion, LiFePO4, Other
Output Power Range	10~20 kWh
Application	Emergency power
Capacity	Customised
Anode Material	LFP
Cycle Life	6000 Times
Communication Port	CAN, RS232, RS485
OEM/ODM	Available
Warranty	5 years

ENERGY

Hunan Pinsheng Energy Technology Co.,LTD

## CERTIFICATE

Pinsheng Energy, with R&D located in Changsha City, Hunan Province near Guangzhou, is a High-Tech Enterprise operating from a 4,000 square meter workshop with 121 staff members. We specialize in developing and producing lithium batteries and battery system integration. After years of dedicated research and development, we have established a complete industry chain spanning research, production, and sales.

Our lithium batteries are characterized by longer cycle life, enhanced security, superior reliability, higher energy density, and other exceptional performance characteristics. Our products are widely used in energy storage systems including off-grid wind & solar energy storage, telecommunication systems, UPS systems, and power systems for electric motorcycles, electric bikes, e-scooters, electric tricycles, golf carts, forklifts, and electric vehicles.

Pinsheng Energy Battery products have earned an excellent reputation both in China and internationally. We maintain a strict quality guarantee system to ensure consistently high-quality products. We prioritize our customers' needs and value their suggestions, continuously improving both our product quality and services. Pinsheng Energy is dedicated to becoming a top OEM & ODM lithium battery manufacturer worldwide.

# WHY CHOOSE US?

Competitive edge

Professional Manufacturing  
Solutions

Maximum 5 Years  
Warranty

Low Moq With  
Competitive Price

Have a complete  
after- sale service

With us, you will get low factory price at low Moq requirement;

With us,you will get a complete power solutions

With us, you will get convenience shipping worldwide.

# FAQ

## Q1 Can you give me a discount ?

**A:** We are manufactory , our policy is that bigger quantity , cheaper price , so we will give you discount according to your order quantity

## Q2 The shipping cost is too high , can you give me more cheaper ?

**A:** When we calculate the shipping cost for you . we will use the cheapest and safest courier .and it is shipping company who ask us to pay , we cant gie you cheaper , pls kindly understand But we can promise that we will not ask you to pay more shipping cost , if u think it is too expensive , you can use your own shipping company . it is ok for us .

## Q3 Can you offer free shipping ?

**A:** For we are manufacturer, we have given the cheapest price as we can, and we did not add shipping cost into the products cost , so we cant offer free shipping , pls kindly understand , tks .
